PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held November 11, 2015
4:00 p.m. Eastern Time

General

The enclosed proxy is solicited by the Board of Directors of Procyon Corporation (hereinafter referred to as the “Company” or “we”) for use at the Annual Meeting of Shareholders to be held at the Procyon Corporation, 1300 S. Highland Ave., Clearwater, Florida at 4:00 p.m., Eastern Time, on Wednesday, November 11, 2015, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. This Proxy Statement and the form of proxy will be mailed to shareholders on or about October 7, 2015. A shareholder giving a proxy has the power to revoke it at any time prior to its exercise by notifying the Secretary of the Company. Unless the proxy is revoked, or unless it is received in such form as to render it invalid, the shares represented by it will be voted in accordance with the instructions contained therein.

The record date with respect to this solicitation is September 22, 2015. All holders of record of Common Stock and Preferred Stock of the Company as of the close of business on that date are entitled to vote at the meeting. As of September 22, 2015, the Company had a total of 8,254,488 voting shares consisting of 8,060,388 of Common shares, and 194,100 shares of Preferred Stock. Each Common and Preferred share is entitled to one vote. A majority of the votes entitled to be cast constitutes a quorum. If a quorum exists, action on any matter other than the election of directors will be approved if the votes cast in person or by proxy at the meeting favoring the action exceed the votes cast opposing the action. In the election of directors, that number of candidates equaling the number of directors to be elected having the highest number of votes cast in favor of their election will be elected. Abstentions and broker non-votes are not counted in the calculation of the vote. The Company’s officers and directors and director nominees, who are expected to vote for the directors nominated by the Board of Directors and to vote in accordance with the recommendations of the Board of Directors, own a majority of the Company’s outstanding shares. A shareholder may revoke a proxy at any time prior to its being voted. If a proxy is properly signed and is not revoked by the shareholder, the shares it represents will be voted at the meeting in accordance with the instructions of the shareholder. If the proxy is signed and returned without specifying choices, the shares will be voted in accordance with the recommendations of the Board of Directors. The cost of this solicitation will be borne by the Company. Employees and directors of the Company may solicit proxies on behalf of the Company but will not receive any additional compensation for such solicitation. Proxies may be solicited personally or by mail, email, facsimile or telephone.

As a matter of policy, the Company holds proxies, ballots and voting tabulations that identify individual shareholders confidential. Such documents are available for examination only by the inspectors of election, none of whom is an employee of the Company, and certain employees associated with tabulation of the vote. The identity of the vote of any shareholder is not disclosed except as may be necessary to meet legal requirements.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT

Under the securities laws of the United States, the Company’s directors, its executive officers, and any persons holding more than ten percent of the Company’s Common Stock are required to report their initial ownership of the Company’s Common Stock and any subsequent changes in that ownership to the Securities and Exchange Commission and the Company. Specific due dates for these reports have been established and the Company is required to disclose any failure to file, or late filing, of such reports. Based solely on the Company’s review of the reports and amendments thereto furnished to the Company and written representations that no other reports were required to be filed in fiscal 2015, the Company’s officers, directors and beneficial owners of more than ten percent of its Common Stock complied with all Section 16(a) filing requirements.

CERTAIN RELATIONSHIPS, RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

We adopted a written policy that requires Board approval by a disinterested majority of the directors voting for any transaction in which one of our directors, nominees for director, executive officers or greater than five percent stockholders, or their immediate family members, have a material interest. All of our directors and executive officers are required at all times, but not less than annually, to disclose all relationships they have with companies or individuals that have conducted business with, or had an interest in, our Company. Our executive officers monitor our operations, giving consideration to the disclosed relationships, and refer potential transactions to the Board of Directors for approval. The Board of Directors considers a related party transaction for its potential economic benefit to us, to ensure the transaction is, among other things, on terms no less favorable to us than those involving unrelated parties, in accordance with our policies and procedures, and that it is properly disclosed in our reports to shareholders.

Other than transactions described below, since July 1, 2014, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or will be a party:

- in which the amount involved exceeds \$120,000; and,
- in which any director, nominee for director, executive officer, shareholder which beneficially owns five percent or more of our common stock or any member of their immediate family members, had or will have a direct or indirect material interest.

Regina W. Anderson, our Chairman and Chief Executive Officer, personally guaranteed the loan we secured from Bank of America, N.A., in the amount of \$508,000, to purchase our office building in July 2006 and guaranteed a line of credit secured by the Company in the amount of \$250,000. The remaining balance of the mortgage loan was repaid in full in January 2013.

We have determined that each of our directors, except Regina W. Anderson, Justice W. Anderson and James B. Anderson, are independent within applicable rules of The NASDAQ Stock Market® (“NASDAQ Rules”). Therefore, a majority of our Board of Directors, and each member of the Audit and Compensation Committees, are independent within applicable NASDAQ rules. Further, each member of our Audit Committee is also considered independent under SEC Rule 10A-3.

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 (the “Exchange Act”), some stockholder proposals may be eligible for inclusion in the Company’s Proxy Statement for next year’s Annual Meeting, the Company’s fiscal 2017 Annual Meeting. Shareholders who intend to submit proposals for inclusion in the 2016 Proxy Statement must do so by sending the proposal and supporting statements, if any, to the Company no later than June 10, 2016, and must meet the requirements of Rule 14a-8 under the Exchange Act. Such proposals should be sent to the attention of the Corporate Secretary, Procyon Corporation, 1300 S. Highland Ave, Clearwater, Florida 33756. The submission of a stockholder proposal does not guarantee that it will be included in the Company’s Proxy Statement. If a shareholder intends to present a proposal for consideration at the 2017 annual meeting outside of the processes of Rule 14a-8 under the Exchange Act, the SEC rules permit management to vote proxies in its discretion if we receive notice of the proposal before the close of business on August

22, 2016 and advise shareholders in our proxy statement for next year's annual meeting about the nature of the matter and how our management intends to vote on such matter.

Stock Option Plan

The Company maintains the Procyon Corporation 2009 Stock Option Plan (the "2009 Option Plan").

The 2009 Option Plan was approved by our shareholders on December 8, 2009. Pursuant to the terms of the 2009 Option Plan, the plan shall continue in effect until December 8, 2019. The purpose of the 2009 Option Plan is to advance the interests of the Company and the Company's stockholders by enhancing the Company's ability to attract, retain and motivate persons who are expected to make important contributions to the Company and by providing such persons with equity ownership opportunities and performance-based incentives that are intended to better align the interests of such persons with those of the Company's stockholders.

The 2009 Option Plan provides for the granting of Incentive Stock Options, meeting the requirements of §422 of the Internal Revenue Code (the "Code"), Non-Qualified Stock Options, which do not qualify as Incentive Stock Options, and Stock Appreciation Rights ("SARs") (together, an "Award"). The Plan is administered by our Compensation Committee.

However, for Ten Percent Owners, the exercise price must be 110% of the Fair Market Value of the underlying stock on the date of grant.

Committees of the Board

The Board of Directors has delegated certain of its authority to a Compensation Committee, an Audit Committee and an Ethics Committee.

The Compensation Committee was composed of Messrs. Wallack and Suggs during fiscal 2015. The Compensation Committee is now composed of Mr. Suggs (Chairman) and Mr. Treshler. The Compensation Committee adopted a Charter on December 8, 2007. The Compensation Committee charter may be viewed on our website at <http://www.procyoncorp.com/investor-relations.html>. Each member of the Compensation Committee is not a former or current officer or employee of the Company and is otherwise independent within the meaning of the applicable NASDAQ Rules. The primary function of the Compensation Committee is to review and make recommendations to the Board with respect to compensation matters, including bonuses for employees, and to administer the Company's Option Plan. Historically, review and adjustment of compensation of our executive officers has primarily been determined by our Chief Executive Officer. *See also*, "Processes and Procedures for the Consideration and Determination of Executive and Director Compensation," above.

The Company formed an Audit Committee in July 2004. In December 2006, the Board nominated Michael T. Foley as Audit Committee member and Chair. In January 2013, the Board appointed Joseph R. Treshler as director and a member of the Audit Committee. The Board believes that Mr. Foley and Mr. Treshler are independent pursuant to NASDAQ rules and Mr. Foley and Mr. Treshler also meet the requirements of an "audit committee financial expert" under applicable SEC Rules. In addition, we have determined that Mr. Foley and Mr. Treshler are independent within the meaning of SEC Rule 10A-3(b)(1).

The Audit Committee adopted a Charter, effective October 27, 2006. The Audit Committee Charter can be viewed on our website at <http://www.procyoncorp.com/investor-relations.html>. Pursuant to its Charter, the primary function of the Audit Committee is to review and approve the scope of audit procedures employed and to review and approve the audit reports rendered by the Company's independent auditors and to approve the audit fees charged by the independent auditors. In addition, pursuant to the Sarbanes-Oxley Act of 2002 and rules promulgated thereunder, the Audit Committee is responsible for, among other things, pre-approving all audit and non-audit services performed by the independent auditors, approving the engagement of the auditors and receiving certain reports from the independent auditors prior to the filing of the audit report. The Audit Committee reports to the Board of Directors with respect to such matters and recommends the selection of independent auditors.

The Company does not have a Nominating Committee. However, the entire board of directors, which is comprised of a majority of independent directors pursuant to applicable NASDAQ rules, performs the function of a nominating committee. The Company believes that a separate committee is not necessary for a company of its size. For purposes of the Audit Committee and the foregoing statement, the Company has used the definition of "independent director" as contained in the corporate governance rules of NASDAQ, as amended.

The Company also formed an Ethics Committee of the board members in 2004. The members are Messrs. Suggs (Chairman) and Kudelko. The charter for the ethics committee may be viewed on the company website (www.procyoncorp.com).

Director Independence

We believe that Messrs. Suggs, Foley, Treshler and Kudelko are independent directors as defined under applicable NASDAQ rules. Regina W. Anderson, James B. Anderson and Justice W. Anderson are not deemed to be independent directors as each is an executive officer or the Company and/or its subsidiaries. We believe Messrs. Foley and Treshler also meet the audit committee independence requirements of SEC Rule 10A-3(b)(1).

Board Leadership Structure and Role in Risk Oversight

We have no formal policy concerning the separation or combination of the Chief Executive Officer and Chairman of the Board positions. Our Board has the right to exercise its judgment to choose the Chairman as it deems best for the Company at any point in time. Currently, Regina Anderson serves as both Chairman of the Board and Chief Executive Officer. The Board has not appointed a “lead independent director.” We believe that our Board leadership structure is appropriate for a company of our size, particularly where we have a majority of independent directors.

We currently have seven directors, a majority of whom are independent. There are three committees of the Board, each comprised and chaired solely by independent directors. Risk management is overseen by the Board as a whole, but also through our committees, particularly the Audit and Ethics Committees, which report to the Board. Our Board, with the assistance of the Audit and Ethics Committees, reviews the Company’s risk oversight framework, and the Board receives regular reports not only from board committees but also directly from senior management regarding certain major risks facing the Company and its operating subsidiary and the steps taken by management to manage and mitigate those risks. We believe that our Board provides effective oversight of the risk management function, especially through the work of the Audit and Ethics committees.

Nomination Procedures

Shareholders may recommend director candidates for inclusion by the board of directors in the slate of nominees which the board recommends to shareholders for election. The qualifications of recommended candidates will be reviewed by the board. If the board determines to nominate a stockholder-recommended candidate and recommends his or her election as a director by the shareholders, his or her name will be included in the Company’s proxy card for the stockholder meeting at which his or her election is recommended.

Shareholders may recommend individuals to the board for consideration as potential director candidates by submitting their names and background to the Company’s Corporate Secretary, at the Company’s address set forth above. Such recommendations will be forwarded to the board. The board will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis.

In order to be considered timely, shareholder nominations for our next annual meeting for fiscal 2017, along with all required information, must be received by the Company no later than June 10, 2016.

The process followed or expected to be followed by the board to identify and evaluate candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the board.

Assuming that appropriate biographical and background material is provided for candidates recommended by shareholders, the board will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by board members or by other persons. In considering whether to recommend any candidate for inclusion in the board’s slate of recommended director nominees, including candidates recommended by shareholders, the board will consider, among other things, the candidate’s:

- integrity and honesty,
- ability to exercise sound, mature and independent business judgment in the best interests of the shareholders as a whole,
- background and experience with manufacturing, retailing, operations, finance, marketing or other fields which will complement the talents of the other board members,
- willingness and capability to take the time to actively participate in board and Committee meetings and related activities,
- ability to work professionally and effectively with other board members and Company management,
- availability to remain on the board long enough to make an effective contribution, and
- absence of material relationships with competitors or other third parties that could present realistic possibilities of conflict of interest or legal issues; and
- experience with accounting rules and practices.

The board does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The board believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, diversity, knowledge and abilities that will allow the board to fulfill its responsibilities.
